30 Restriction on movement of controlled products into or out of prescribed areas

Subject to section thirty-five, no person shall—

(a) remove a controlled product from a prescribed area; or

without the permission of the Board, and in granting its permission the Board may impose such conditions as it thinks fit.

31 Fixing of prices

(1) In each year the Minister shall, by statutory instrument, fix the price or prices payable by the Grain Marketing Board during the twelve months following the 1st April in that year for any controlled product which is sold to or acquired by the Grain Marketing Board and which complies with the terms of any rules made under paragraph 2 or 3 of the Schedule.

(5) If, at any time during the period for which the price or prices of any controlled product have been fixed in terms of subsection (1), the Minister is satisfied that supplementary payments to producers are justified, he may direct the Grain Marketing Board to make supplementary payments of such amount as he may fix to producers of that controlled product proportionately to the quantity of such controlled product delivered by or acquired from them during that period:

Provided that, if, in the opinion of the Minister, it would be impracticable for the Grain Marketing Board to make such supplementary payments to any class or classes of producers, he may direct that such supplementary payments as are attributable to controlled products grown by such class or classes of producers shall be paid by the Grain Marketing Board to any fund, authority or body from which, in the opinion of the Minister, such class or classes of producers, directly or indirectly, will derive benefit.

(4) Without derogation from subsection (3), the Board, with the approval of the Minister, may, subject to such conditions as it may fix, pay in respect of any controlled product or class of controlled product specified by the Board such portion of the transport costs of delivering to a receiving depot of the Board the controlled product or class of controlled product as it thinks fit.

(5) On the delivery of any controlled product which does not comply with any rules made in terms of paragraph 3 of the Schedule, the Board may decline to accept it and direct that it be delivered at a later date when it complies with such rules or may reject the controlled product and, on such rejection, the Board shall issue to the person delivering it a certificate of rejection.

(6) Subject to subsection (5), on the delivery to the Board of any controlled product the Board shall issue a receipt therefor to the person who has delivered it.

(7) The Board shall not be subject to any obligation or liability whatsoever in respect of any controlled product sold to it until it has taken possession of the controlled product and has issued a receipt in respect thereof in terms of subsection (6).

(8) Notwithstanding subsection (1), a person who is the producer of any controlled product may sell such controlled product otherwise than to the Board if it is bona fide sold by him for use as seed.
